

Foothill Little League Local Rules 2025-2026

Revised January 2025

1. GENERAL

All registered players and adult members of Foothill Little League must comply with all Little League rules and regulations, both National and Local. These "Local Rules" supplement and provide local interpretation to the "2025 Little League Official Regulations and Playing Rules" for all divisions of Little League Baseball. If there are any actual conflicts between the Local Rules and the Official Regulations and Playing Rules, then the Official Rules shall prevail. Infraction of any of these rules may require appearance before the Executive Committee and could lead to suspension or dismissal from Foothill Little League. The Foothill Little League has adopted the 2025 Little League Official Regulations, Playing Rules, and Operations as it pertains to pitch count.

2. PROPERTY

All equipment, supplies, and buildings are considered the property of Foothill Little League, Inc. A. Any person (adult or minor) who attempts to break into League buildings, or who willfully damages any League property (owned or leased), will be subject to loss of all rights to future B. participation in Foothill Little League.

Equipment/Keys issued to coaches/managers are considered League property and are to be returned upon demand. If any item is not returned, the league will cash the coach's volunteer/equipment check. C. Parents or legal guardians of a minor child may be subject to legal action by Foothill Little League, Inc., to recover any losses sustained.

D. No one shall post handbills or other advertisements without prior written approval of the Board.

3. FINANCIAL SUPPORT

- A. Sponsorships:** The Sponsorship subcommittee will encourage the sponsorship of the League rather than any one team. However, if a sponsor wishes to be associated with a particular team, the request will be granted so long as no team receives any advantage thereby, and any expense to the League is minimized.
1. Donations may be made in any amount.
 2. Sponsorships are in set amounts approved by the Board. Each sponsor will receive such recognition as the Board decides, e.g., outfield signs, ads, etc.
- B. Membership Contributions:** Parents or guardians of every registered player are expected to contribute annually to support the League.
1. Prior to registration, the Board will determine the amount of this contribution.
 2. No player will be refused registration because of family inability to make this contribution.
- C. Volunteerism:** In addition to financial contribution, parents or guardians are expected to contribute time to the volunteer programs of the League.

4. LEAGUE STRUCTURE

"League Age" to be set using the outline set forth by Little League International (See attached Addendum C)

A managerial draft is conducted for team formation in Intermediate division. Players of league age 11 to 13 may try out for Intermediates. Post-season playoff pairings will be decided by draw as opposed to regular season league standings. A managerial draft is conducted for team formation in Minor division.

D. **Farm ‘A’ Division** - League ages 7 to 9. Primary field is Perez Field. Primarily instructional with competitive games. Competitive games and post-season playoffs, but no individual statistics. Plate umpires shall not be provided in the Farm “B” division. The home team shall provide a base umpire. Note: League policy requires careful evaluation of any 6-year-old being considered for placement into Farm B. Only 6-year-olds having completed one year of T-Ball may be considered. Many 6-year-olds will play T-Ball.

F. **T-Ball** - League ages 4 to 5. Player must be age 4 as of the date set forth by Little League International (See Addendum C). Primary field is Kwiatkowski-Sexton Field. Instructional. - C. The Little League draft will utilize the Alternate Method for Plan “B” as contained in the most recent edition of the Little League Official Regulations, Playing Rules, and Operating Policies of Little League will be used for team formation in the Farm A, Minor, Intermediate and Junior divisions.

6. ADULT TRAINING

Foothill Little League will conduct annual training sessions for managers, coaches, umpires, and scorekeepers. Members of the League who are appointed to the aforementioned positions must attend the training sessions. All other League members are encouraged to attend as many sessions as possible.

7. MANDATORY PLAYING RULE (MPR)

- A.** This rule is made with respect to Little League Regulation IV(i). The intent of the rule is that all League players must play a minimum of one-half of the game (nine defensive outs) and have at least one time at-bat. The following cases illustrate this rule: **Case 1.** In a regulation six-inning game, all players must play at least three innings defensively (9 outs), six defensive outs of which must be consecutive, and have a minimum of one at-bat.
Case 2. In an extra-inning game, Case 1 applies.
Case 3. In a game terminated prior to the sixth inning, the player must play six consecutive outs defensively and bat once.
- B.** When a player has not met the mandatory play requirement cited above, that player will start the next scheduled game and play any previous requirement, then satisfy the mandatory play requirement for this game before being removed. (Example: If a player played only 7 defensive outs and had one at-bat in game "A", this player must start game "B", make up the 2 out play requirement from the previous game, then satisfy the mandatory play requirement (9 defensive outs and one at-bat) for game "B"; prior to being removed from game "B." In the case of a shortened game, then 6 defensive outs and one at-bat is required per Case 3.
- C.** Benching a player for cause, e.g. illness, injury or disciplinary cases, is permitted; however, in disciplinary cases, the Player Agent must give his/her approval in a reasonable time (not less than 24 hours) prior to the game.
- D.** Managers who violate this rule will be subject to action by the Executive Committee, up to and including dismissal from their positions.
- E.** At the end of the 3rd inning, the umpire should remind both managers to make such substitutions as are required to comply with the Mandatory Playing Rule.
- F.** The official scorekeeper for each game will inform the Player Agent of any infraction(s) of the Mandatory Playing Rule; and the Player Agent, in turn, will present the matter to the Executive Committee.
- G.** All divisions utilize the Mandatory Player Rule*, with continuous batting order.
With continuous batting order the MPR still applies per Local and Little League Rules.
*6 consecutive outs, 1 at bat. 9 total outs in 7 innings
* Kids must play a minimum of 3 outs in the infield and 3 out in the outfield
(infield/outfield rule is not applicable in intermediate – coaches must let all kids practice at all positions with the intent of teaching them how to play that position in a game).

NOTE: For all divisions who use continuous batting order, free substitution will be used in lieu of Little League Rule 3.03 to enhance player participation and spirit of the game.

- D. Notification:** The Player Agent will notify the chairman of the Conduct Committee whenever a player has been charged with two unexcused absences from the regularly scheduled games or practices of his or her team.

10. CODE OF CONDUCT FOR COACHES/PLAYERS/PARENTS/VOLUNTEERS

10(a) – Foothill Little League has established a Code of Conduct for the coaches. All coaches of the League must agree to these Codes of Conduct before the beginning of each season and are required to sign these Codes of Conduct during coaches meeting. See **Addendum B** for the complete agreements.

10(C) - Foothill Little League has established a Code of Conduct for Players as well as Parents and Volunteers. All players and members of the League must agree to these Codes of Conduct before the beginning of each season and are required to sign these Codes of Conduct during the registration process. See **Addendum C** for the complete agreements.

11. CONDUCT COMMITTEE

- A.** The Code of Conduct (see Addendum B) is to be followed by all Players, Parents, and Volunteers at all times. If anyone is in violation of these rules they will be referred to the Committee for discipline.
- B.** The Code of Conduct will be signed by all Players/Parents/Volunteers at the beginning of each season and kept on file.
- C.** The Conduct Committee will consist of the members of the Executive Board. If the violation is related to a coach or manager, the Executive Board has the discretion to include the Coaching Director and/or UIC if needed.
- D.** Violations related to players and parents should be made to the Player Agent, violations related to coaches and managers should be made to the Coaching Director, and violations related to umpires should be made to the UIC, unless it involves the UIC at which time it should be made to the President.
- E.** All violations will be documented, and all documentation will remain with the Secretary.

12. PRE-GAME PROCEDURES

A. Drills

- 1.** To ensure fairness and to provide time for field preparation, the field may not be used for practice or warm-ups by the participating teams more than twenty-five minutes before game time.
- 2.** To ensure fairness, both teams will be allowed to use their side of the outfield, using second base and the deciding line. There will no access allowed of the batting cages and pitching cages. Teams will not be able to use the infield or pitchers' mound prior to the start of the game.

B. Batting Order

1. Five minutes before the game's official starting time, with both teams in their respective dugouts, managers of the opposing teams, and a player representative from each team (at the coaches' discretion), will proceed to home plate for a pre-game conference with the umpires. In accordance with rule 4.01, each manager will present to the umpire copies of their team's batting order. These copies will contain the following information: **Name of each player (in order of appearance at-bat), his or her uniform number, and the starting position or status as a substitute.** If a player is late, absent, sick, injured, or being disciplined, that status will be recorded in the official scorebook by the official scorekeeper.
2. Any change in player status, i.e. late, absent, sick, or injured, and all pitching substitutions and /or line-up changes must be reported immediately by the manager to the scorekeeper. To make any change, the manager must request "time" from an umpire, and then report the changes to the umpire-in-chief. The umpire will relay these changes to the official scorekeeper and the opposing manager. (Because offensive substitutions do not occur in the Minor and Farm divisions, Minor and Farm division managers additionally are to report to the umpire-in-chief any defensive changes that cause players to enter or leave the game; this is done to ensure the MPR for each player is met.)
3. The decision of whether or not a late player is allowed to enter the game will be left to the judgment of the manager. NOTE: A late player not allowed to enter the game must be reported as being in a disciplinary status in accordance with rules 7 and 10.B.2.

C. Scorekeeper

1. The home team will provide the official scorekeeper for each game. The scorekeeper will use the official scorebook or gamechanger to record the game. A game will not begin until there is an official scorekeeper designated.
2. The official scorekeeper will obtain the umpire's signature on the game record immediately after the conclusion of the game. The official scorekeeper will also record his/her name on the game record in the space provided.
3. The official scorekeeper is responsible for noting the actual game start time in the official scorebook for games in Farm A division, Minor league and Intermediate divisions.
4. The official scorekeeper will maintain the official pitch count for each game. Division appropriate pitch count forms will be provided in the official scorebook at each field.

Division specifics are outlined below in local rule 15. The official scorekeeper will advise the umpire if a pitcher is approaching or has pitched their maximum number of pitches for a game. Failure to notify the umpire does not relieve the manager from their responsibility to enforce the pitch count rule. Manager can request a pitch count from the umpire at any time, but it is not required for the umpire to stop the game to honor the request. It will be honored at the umpire discretion.

13. FIVE RUN RULE

The Five Run Rule is in effect until the last inning of each game for divisions that utilize the continuous batting order (Minors, and Farm A). The intent of this rule is to provide a mechanism for ending an inning should one team dominate play by preventing a team from scoring more than five runs in a single

inning even though there may be less than three outs. The Farm B division will play by the Five Run Rule for the duration of the game.

Note: The “last inning” will be the 6th, no other inning can be consider the last inning.

The Intermediate Division may utilize the continuous batting order if agreed upon by the managers in that division. The Five Run Rule does not apply to the Intermediate Division.

14. MERCY RULE

2. Pitching limits for all ages are referenced in the Little League Rule Book.
3. Little League Rules for the Intermediate and Junior Divisions apply at all times.

NOTE: Foothill Junior Division teams play their entire season against teams from other District 63 leagues. Because Foothill does not possess a regulation junior size field, all games are played outside Arroyo Verde Park. Home games may be played in cities other than Ventura. Foothill Junior home teams are responsible for providing an umpire if one cannot be provided by the Foothill League Umpire in Charge.

17. UMPIRES

- A. Umpiring is very important to the successful conduct of our league. The umpire's role is a demanding and challenging one and our volunteer umpires have put in many hours of training and hard work preparing for their responsibilities. While some minimal level of "background chatter" directed at umpires may be part of the game, the league will not tolerate negative, loud, or abusive language or actions towards our umpires. Umpire judgment calls should not be challenged. Managers may request time and, if approved, approach an umpire to clarify a rule interpretation.
- B. The League Umpire in Charge will attempt to provide volunteer umpires for each game. In the event that an umpire is not available for a game, the participating teams will provide umpires. The offensive team provides an umpire for the half inning they are on the offense. It is recommended that coaches take on this responsibility as long as there is one adult in the dugout at all times. If another adult is selected, they should have knowledge of the rules and game situations. Knowledge of umpire positioning is highly desirable.
- C. Note: Children under league age 13 are not permitted to umpire at any time, unless an exception has been made the League President or UIC.
- D. The umpire is responsible for complying with game duration limits as outlined in paragraph 8(B) above. The umpire should confer with the official scorekeeper to ensure that game start time is noted in the official scorebook.
- E. The umpire shall ensure that the official scorekeeper notes pitching changes (Farm A, Minors and Intermediate) and player substitutions (Intermediate only).
- F. The umpire does not have specific responsibilities regarding the pitch count rule. The official scorekeeper will advise the umpire if a pitcher is nearing, or has reached, their pitch count limit. The umpire will advise the pitcher's manager if a pitcher reaches their maximum. It is the manager's responsibility to take appropriate action if the pitch count is reached.

18. ALL-STAR AND TOURNAMENT PROGRAM

The League supports participation in All-Star and Tournament programs subject to the endorsement of the Board. The All-Star Committee will be chaired by the Player Agent. Assisting the Player Agent will be the Vice President, Secretary, UIC and Coaching Director. The Committee members will monitor the player selection process, as well as selection of managers, and uphold the rules of the draft. These committee members may assist in deciding on the final roster if conflicts should arise.

- A. Participation in All Star Tournaments is reviewed by the Board of Directors on an annual basis. This participation is based upon District 63 offerings as well as Foothill Little League's ability to put forth a roster. Team selection is age-based. All teams will be selected by the managers in each age group. Each Manager will pick no more than 6 players throughout their own division

with the exception of any player on their own team. The top 8 players will be selected by the number of votes received. The final team make up for each age group will be decided by the managers selected to coach the all-star team, with the assistance of the All-Star committee, if needed, taking into consideration the overall team make-up, the needs of the team(s) and the strengths/weakness of the player(s).

- C. All Star players are prohibited from participating in other tournaments held concurrently with the Foothill All Star Tournament.
- D. Other Tournaments - The League does not formally participate in other tournaments (e.g., CBC, Northside, Southside, Santa Paula, etc.). If teams are put together which have Foothill Little League families participating on them, this is coincidental and does not indicate League sponsorship for such teams.
- E. Manager Selection - All Managers in each division participating in tournament play will be asked to submit, in writing, via email, their interest in managing the All-Star team in their division. If a potential All Star manager is a member of the All-Star Committee, they will not be eligible to participate in the selection process. The final decision will be decided on by vote. Participants in the vote will include the managers unable to participate in the tournament and the All-Star Committee.

19. POOL PLAY

This rule is meant so that kids can play ball. Any purposeful manipulation of, or intentional disregard for, the rule may result in manager suspension.

Pool players filling in **MUST** play right field (if using two pool players they must play right and left field only), and must bat at the bottom of the order, it is required that when a pool player is the tenth player on the team in need, he/she play only the minimum per Foothill Little League Local Rule (MPR)*. A maximum of two pool players may be used per game and all pool players must be reported to the home plate umpire prior to the start of the game.

The method for pool player selection: Regulation V – Selection of Players Guidelines

- 1) The league's **Player Agent** will create and run the pool. The league's player agent will use the pool to assign players within their respective division to teams that are short of players on a rotating basis.
- 2) Managers, coaches and/or others will not have the right to randomly pick and choose players from the pool within their respective division.
- 3) If a manager is aware he will have nine players at the start of a game, they may request a pool player.
- 4) Intermediate players (age 12+) may request to be a pool player in the Juniors division. All of these requests will be reviewed by the Players Agent and President. If approved, player will be added to list and will be pulled up, when needed, in order of approval.

*6 consecutive outs, 1 at bat. 9 total outs in 7 innings

20. PLAY OFF SEEDING

At the completion of the regular season, seeding for the Intermediate Division will be determined by overall record. If two teams are tied, the following format will be used: 1.) Head to head; 2) Runs allowed; 3) Runs scored; 4) Coin flip.

For Minor and Farm A Divisions (non-competitive), seeding will be determined by draw. With the exception of the team with the best record being given a first round bye. See division details for further explanation.

Seeding for all divisions will be made public within 3 days of the last day of the season.

21. BOARD OF DIRECTOR APPOINTMENTS & DUTIES

A complete list of the Members of the Board of Directors can be found in Addendum A

MANAGERS/COACHES CODE OF CONDUCT

Foothill Little League expects the following standards of conduct and behavior for its managers and coaches. All managers and coaches in Foothill Little League must adhere to this code of conduct.

1. Encourage your players to play by the rules. Children learn best by the examples set by their coaches, so applaud play by both teams when appropriate.
2. Be a positive role model by showing good sportsmanship and a positive attitude. Always remember the real reason for the game: To have fun!
 - a. DO NOT ridicule or use abusive language toward players, coaches, umpires, or parents.
 - b. Always show a positive attitude, on and off the field.
 - c. Managers are responsible for the actions of their coaches/players/parents/fans. It is the responsibility of the manager to address any unruly behavior immediately. Failure to do so will result in corrective action being taken on the manager.
3. All rulings by the umpire on the field are FINAL! If there is a question on an umpire's ruling the manager should call time out and get with the umpire and the opposing coach, out of earshot of players, parents, and spectators. Once the conversation is finished, get back to the game. Do not continue to discuss the matter further and let it linger for the balance of the game. Remember these umpires are kids, and managers are expected to keep that top of mind always. Never should a manager intimidate or use stature to influence an umpire's decision. Ask questions and gain an understanding of how the call was seen by the umpire. You don't have to agree with a call, but the expectation is to be respectful always. Any heckling or abusive behavior from fans toward the umpire needs to be addressed immediately by the manager.
4. Emphasize skill development at all practices and continually work to develop less skilled players. Don't exclusively focus attention on your star players.
5. FHLL has a NO tobacco policy at all fields during practices and games. Additionally, NO alcohol at the field before, during or after a game or practice.
6. All managers/coaches are a direct reflection of Foothill Little League. All are expected to be respectful and supportive of FHLL leadership. Don't partake in needless gossip that undermines the league and board. If there is an issue that arises discuss with a board member privately.
7. Do not hold practices outside of the Foothill fields. Use fields and times allotted to your team by the league.

Upon receipt of any report of alleged misconduct, the President of FHLL or his lawful representative and an appointed sub-committee, will investigate to determine if the allegations are substantiated. The investigation will commence within 7 days of the reported incident.

1

If the allegations of misconduct are substantiated, one or more of the following consequences will be recommended to the board: •

1st incident: Documented verbal warning that is held on file for the 1 year.

- **2nd incident: Suspended from managing/coaching any FHLL team for a predetermined amount of time (1-5 games) and placed on probation for one year.**
- **3rd incident: Suspended from managing/coaching any FHLL team for an extended period of time (1-2 years). Reinstatement will require majority board approval and endorsement by the FHLL coaching director.**

It is the intent of Foothill Little League to ensure a safe, productive, and professional baseball environment and the board will render decisions with these principles in mind. Final decisions must be approved by the board of directors. If any consequences are given by the board, the aforementioned subcommittee will appropriately inform the person(s) involved. Violation of any terms of consequence will result in a more severe consequence.

I have reviewed this document and I understand the expectations of me as a Manager/Coach at Foothill Little League

Foothill Little League Parent and Player's Code of Conduct

I hereby pledge to provide support, care, and encouragement for my child participating in the Foothill Little League program by adhering to the Parents' Code of Conduct as follows:

- I will encourage good sportsmanship by demonstrating positive support for all players, managers, coaches, league officials, and umpires at every game, practice, or other Foothill Little League event.
- I will insist my child treat other players, managers, coaches, league officials and umpires with respect.
- I will make sure my child attends every practice and game; however, I will notify the manager if he/she cannot.
- I will adhere to the **NO PETS**, including dogs and cats, and **NO SMOKING** policies of Foothill Little League. This includes any of my guests attending the games or practices of my player.
- I will adhere to the 5-mph speed limit at all times when I'm driving on Foothill Little League property.
- I realize that Foothill Little League is a volunteer organization and requires all parents to fulfill their volunteer commitment in order to run efficiently. In addition to the chosen volunteer commitment, one snack shack shift is required for every player in the league.
- After each game, I will make sure my player demonstrates the "Winning without gloating" or "Losing without complaining" philosophy.
- I will supervise all children who are attending the games with me as spectators, and will make sure they stay off surrounding hillsides, buildings, and refrain from playing on roads or throwing rocks on Foothill Little League property.
- I will be a responsible parent at all times during the season and will adhere to this Code of Conduct established by the Foothill Little League Board of Directors.
- I will demand a sports environment for my child that is free of drugs, tobacco, and alcohol, and will refrain from their use at all Foothill Little League practices and games.

It is important that parents conduct themselves in a proper manner. Use of profanity, verbal or physical harassment toward board member, umpires, staff, coaches or other parents will not be permitted at Foothill Little League. I understand that failure to abide by the above Code of Conduct and Rules may result in parents being asked to leave the fields, and possibly being sanctioned by Foothill's Board of Directors to be excluded from attendance at future games.

Foothill Little League fields are graciously leased to us by the San Buenaventura Conservancy for \$1.00 per year and we need to respect this wonderful haven in which our children have to play baseball.
